

Keeping the Holiday spirit alive... in February!

On January 28th, Sun Youth's **Sid Stevens** was the guest on **CJAD's** Saturday afternoon radio program with host **Eramelinda Boquer** and co-host CTV's anchor **Todd van der Heyden** where they discussed the **shortage of supplies at the food bank** at this time of year. **Eramelinda** invited her listeners to keep the giving spirit of the Holidays alive and **challenged them to donate at least 300 grocery bags to the organization by February**. The response from the public went beyond all expectation and encouraged other groups to take on the challenge.

Congregation Beth Tikvak of Dollard-des-Ormeaux were the first ones to pick up the challenge thanks to Cantor **Henry Topas** and Senior Rabbi **Dr. Moderechai Zeitz**. The **6th grade students** of their **Hebrew Academy**, with the help of academy coordinator **Bonnie Leiner**, were able to collect **7 full boxes of kosher food** for Sun Youth's Monthly Kosher Food Program.
