PRESS RELEASE

*For immediate release*

**Mobilization to assist victims in Haiti: Sun Youth invites the public to be vigilant about impostors**

**Montreal, January 13, 2010.** Following many phone calls received from donors seeking information, **Sun Youth** wishes to inform the public that it is **not collecting funds, food or any other material goods to assist the people of Haiti** hit yesterday by a powerful earthquake. People wishing to contribute to the relief efforts are referred by Sun Youth to the **Canadian Red-Cross**, Quebec division (1-800-418-1111 or [www.redcross.ca](http://www.redcross.ca)).

The **Red Cross** already has **onsite volunteers** and its **Quebec staff is able to receive donations from the public** to assist people in Haiti. As for **other organizations, prudence is the word**. It is **important to give to renowned organizations** and to make sure that they will use whatever they collect to immediately assist the Haitian population. Unfortunately, some **unscrupulous people take advantage of such tragedies** to fraud donors wishing to contribute to the relief efforts.

Sun Youth once again invites the people wishing to assist the Haitian population to **contact the Canadian Red-Cross - Quebec division, a renowned and well established organization** (and also a longtime partner of Sun Youth) to offer their contribution. For further information, please call **1-800-418-1111** or visit [www.redcross.ca](http://www.redcross.ca).

For more information about Sun Youth, please contact Mr. Tommy Kulczyk at 514-842-6822.
